

Discover...

- How different the prairie is in summer.
- Beetle-mania
- Nesting birds!
- Wildness of a wetland.

Explore...

- 330 acres of prairies, wetlands, and oak savanna.
- The unbelievable world of nature with your own field guide.
- Early morning life on the prairie.

Wonder...

- Under a dome of blue sky and its dramatic clouds.
- At the brightly colored wildflowers dotting the landscape

To Register

Visit the [Friends of the Prairie Wetlands Learning Center](#) to register on-line starting February 15.

Registration takes place entirely on-line, is first-come, first-served, and remains open until filled with 60 youth. A waiting list will be maintained in case of cancellations.

Fee: \$25.

Scholarships are available in exchange for your full attendance in the camp. Indicate your interest when you register on-line.

Questions about registration or scholarships? Please call the Friends of the PWLC, 218-998-4488.

U.S. Fish & Wildlife Service

Prairie Wetlands Learning Center

Summer Explorers Biology Camp

For kids entering 5th and 6th grades

June 18-20, 2019

Prairie Wetlands Learning Center
Fergus Falls, Minnesota

Are you looking for
a summer adventure?

*An infinite
number of
discoveries
await you at
the Prairie
Wetlands
Learning
Center. Come
explore the biology of prairies and
wetlands, and have fun at the
same time!*

Why should you attend the Summer Explorers Biology Camp?

- You will make exciting new discoveries outdoors each day!
- Meet other people who love to be outside and learn about wildlife.
- Enjoy three days of fun — you won't even realize you're learning.

Who can attend?

Students entering 5th or 6th grade in Fall 2019 who are curious and enjoy learning about nature and being in nature.

When is the camp?

Tuesday, June 18, through Thursday, June 20. Hours:

Tues. and Wed. 9:00 a.m. - 3:00 p.m.

"Early Bird" Thurs. 6:15 a.m. - 10:00 a.m.

Where is the camp?

The Summer Explorers Biology Camp is held at the Prairie Wetlands Learning Center (PWLC) in Fergus Falls, MN. The PWLC includes a barn classroom plus 4 miles of trails in 330 acres of prairie with 28 wetlands.

CAMP INSTRUCTORS

Fergus Falls School District teacher Mona Davis and U.S. Fish and Wildlife Service environmental educator Molly Stoddard.

This camp is not just a learning opportunity for students! Fifteen visiting educators attend the camp alongside students and learn techniques for teaching in the outdoors. Each student is part of a small team led by one of these teachers.

Prairie Wetlands Learning Center is located on State Highway 210 East, Fergus Falls, one mile from exit 57 off Interstate 94.
